Dear Valued Customers,

Price Revision for Neutral Airway Bill (Non-Members)

We thank you and sincerely appreciate your support over the past years. We are thankful that we are able to serve our community well and provide this ease of convenience for an immediate available stock of neutral airway bill.

Unfortunately, it has come to a stage where we can no more avoid the growing expenses and need to make some changes to our airway bill pricing. Our last price increase was on 2008, a good 9 years where SAAA has managed to hold the pricing intact, despite inflationary pressures. To enable us to continue serve our community, an increase in price is an apparent necessity.

Please find below our price revision which will take effect from 01 October 2017.
